MEMORANDUM FOR THE RECORD

21 January 1966

SUBJECT: Telephone conversation with Miss Faye Aronin,  
International Division, Bureau of the Budget  
Request for EIC Publications

Miss Aronin contacted EIC/S on 19 January to inquire if the publications in the EIC-R14 series and the EIC-WGR series had been discontinued. She reported that the last issue BOB had received was EIC-R14-S18 covering 1964 and the last issue of a WGR was July 1965. I suggested to her that probably at the time of Mr. Amory's reassignment they had been deleted from distribution. She said she would determine if Mr. Clark, Chief, International Division was interested in receiving copies and she would call back.

(EIC/s records indicate that EIC/S notified St/P/C, J. Wecker, that Mr. Amory had been reassigned from Chief, International Division to Assistant to the Director. Jeanne notified the EIC/S that upon contacting O/BPAM they had suggested that BOB be deleted from the distribution list and that the new Chief, International Division was being stricken from all distribution lists. [ ] reported to Mr. Morell who concurred in BPAM's suggestion and BOB was deleted from distribution. (19 July '65)

Miss Aronin advised the EIC/S on 21 January that BOB is interested in receiving the EIC-R14 series only and requested a copy of the last issue, EIC-R14-S19, Aid and Trade Activities of Communist Countries in Less Developed Areas of the Free World, 1 January - 30 June 1965, and that they receive future issues in this series. Miss Aronin requested that the documents be addressed to:

Mr. James Clark, Chief, International Division
